13

ACBSP & BSAD- AREA

- ◉ Accreditation Council for Business Schools and Programs (ACBSP) is a global business education accrediting body and the first organization to offer accreditation to all levels of collegiate business educational degree programs from associate to doctoral.
- ◉ SCC campus visit week of February 13th
 - evaluating aspects of leadership, strategic planning, relationships with stakeholders, quality of academic programs, faculty credentials, and educational support, ACBSP assesses whether or not business programs offer a rigorous educational experience and commitment to continuous quality improvement.

14

ACBSP & BSAD- AREA

- ◉ 1. Students in the alumni group felt they graduated with all the tools they needed to be successful in their careers or continuing education
- ◉ 2. Students have a variety of resources at the college to help them be successful
- ◉ 3. The Graduate Report is very thorough with listing of employers, jobs, salaries, etc.
- ◉ 4. The program has updated curriculum to meet the needs of local businesses
- ◉ 5. Assessment processes of the college are thorough, including review of assessment outcomes by peers from another program

15

ACBSP & BSAD- AREA

6. **Faculty are a great strength in the program** with students feeling very supported and cared for by professional faculty, and alums feeling connected to the faculty they grew close to. This was a key takeaway from the team that they all stressed. 😊

7. Having lead instructors for each course was highlighted as a strength of the program

8. Online and hybrid instructors are appropriately trained and supported with ongoing information via Canvas newsletters, etc.

9. Student support systems in place on all three campuses including library, tutoring, transitions, admissions, college advising, and registration

10. Career services assists with resumes, mock interviews, job board, etc.
