Art Exhibit-Beatrice

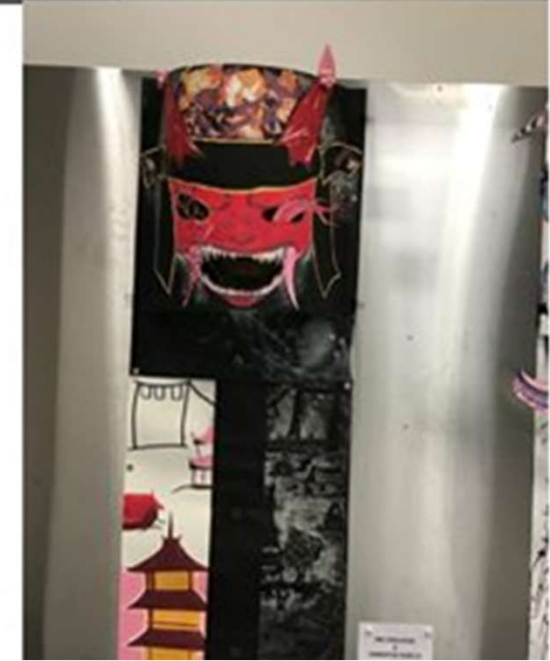

Featuring SCC Instructor and student collaborations from:

- Rosemary Zumpfe's class in Lincoln at ESQ
- Bradley Peter's Photography class in Lincoln at ESQ
- Nancy Hagler-Vujovic - Beatrice

Displayed in lower-level area of the Beatrice Public Library April 8 - 30th.

The exhibit at BPL for several years!
Thanks to our wonderful library directors over the years.

SCC Art Exhibit

Business Division WLT

- The Business program hosted a Workforce Leadership Team on Thursday, April 6 in the new Student Academic Support area in Lincoln.
- There were 16 workforce leaders from a variety of businesses in the 15-county area.
- The group discussed industry trends, workforce needs, challenges, opportunities, internships, etc.
- They will meet again in the fall for a student-focused session.

Office Professional at the SCC Booth FFA State Conference March 29, 2023

We felt it was important for Office Professional to have a presence at the SCC Booth at the State FFA Conference

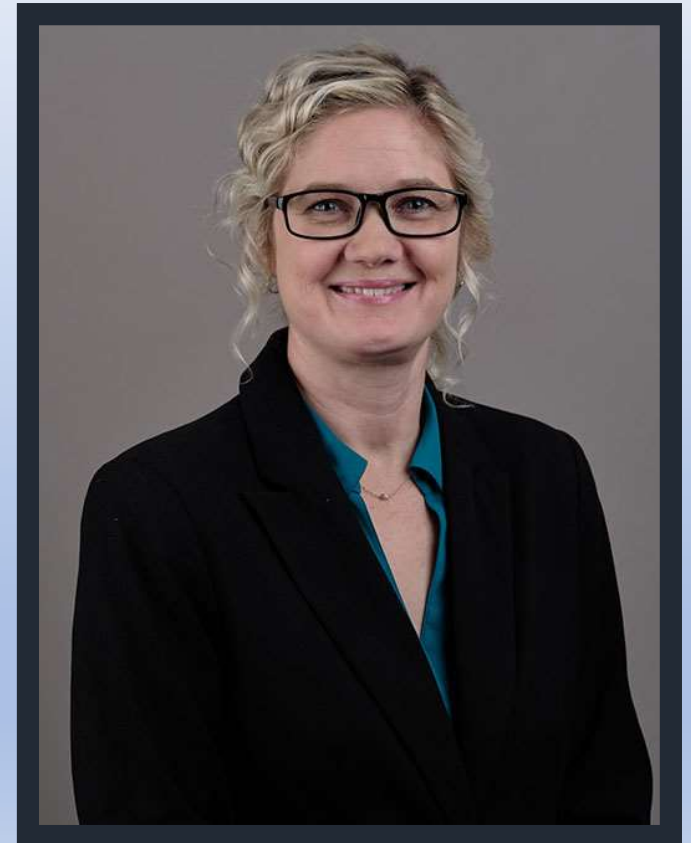

because students studying agriculture still need to know how to balance profits and expenses, use Microsoft products, write professional emails, and have a filing system for all their receipts and records. These are skills learned with our certificate program.

Accreditation Council for Business Schools and Programs

Janet Scott, an instructor of economics, global business and introduction to global studies on the Lincoln Campus

Recipient of the Accreditation Council for Business Schools and Programs Teaching Excellence Award for Region 5.

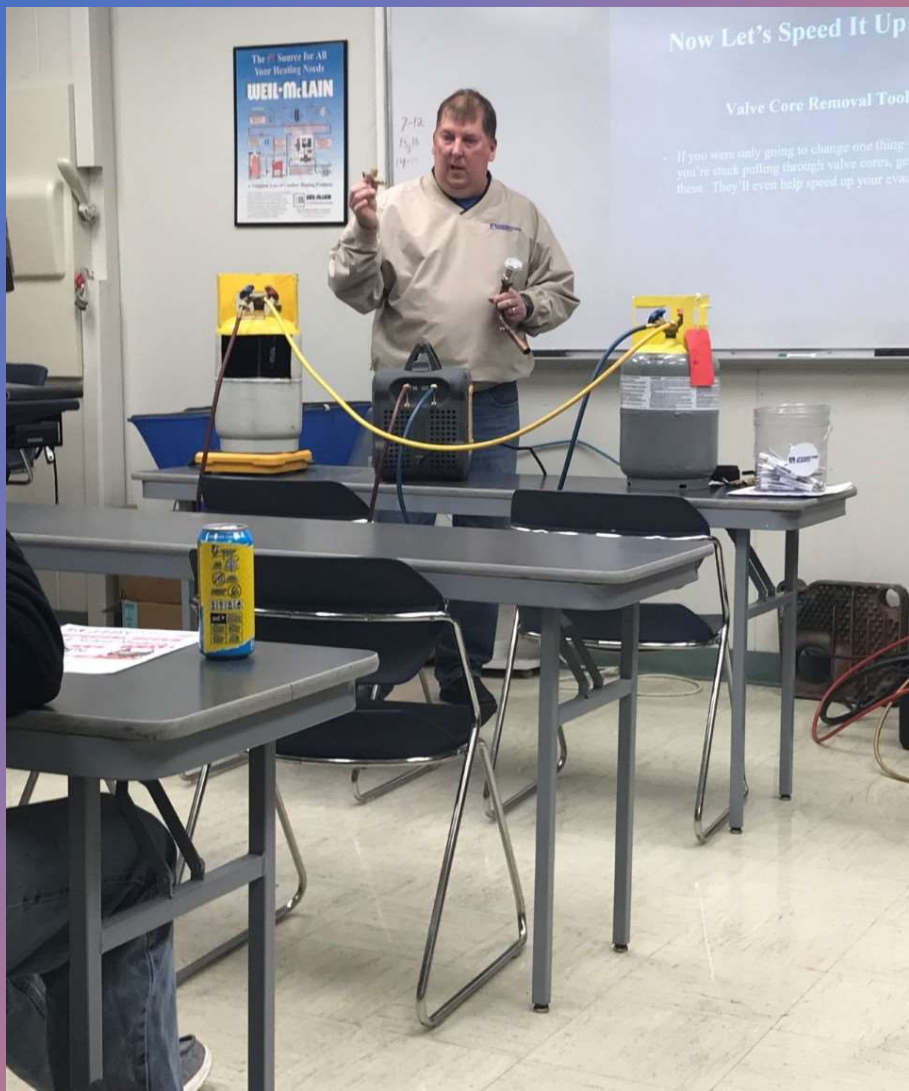

Winners from each of the 11 regions within ACBSP will be honored at the 2023 annual conference June 29-July 2 in Chicago.

Experts come to Milford

- Gerry Dunlap and Justina Roth from Farmers & Merchants Bank
- Present to students in Personal Finance

Experts in Milford- HVAC

- Mike Toelle from Johnstone Supply
- Refrigerant Recovery
 - the transfer of a system's refrigerant into a refillable refrigerant cylinder during repairs or replacement of the air-conditioning system. By looking into refrigerant recovery, you can prevent refrigerants from leaking and releasing into the atmosphere
 - EPA Clean Air Act
